WHY YOU SHOULD GET MARRIED IN THE RIVIERA NAYARIT

SUPERB LANDSCAPES: You can get married on the top of a mountain with the Pacific at your feet or on a virgin beach surrounded by lush, tropical jungle.

ACCESSIBLE AND DIVERSE – The Riviera Nayarit offers a wide range of prices and air connectivity is available from the main cities in Mexico, the United States, Europe, and now South America. There are lodgings for every taste and budget, from intimate boutique beach hotels to sprawling luxury resorts.

ACTIVITIES AND ATTRACTIONS – You'll enjoy unparalleled natural surroundings, a fabulous biodiversity, and a widespread culture. Dare to venture out on the waves on a surfboard or hop aboard a boat to the Marietas Islands and its Hidden Beach, also known as Love Beach—one of the world's most exotic beaches according to National Geographic.

If you prefer you can spend a relaxing morning enjoying a spa treatment on the beach or, on the contrary, raise that adrenaline level a bit on a zip-line that will whisk you through the treetops across the Sierra Madre, giving you excellent views of the landscape.
